

**The Trades House
of Glasgow
Apprenticeship
Awards**

Supporting Scotland's next generation of skilled professionals.

The Trades House of Glasgow Apprenticeship Awards celebrate apprentices and the organisations helping them develop their skills and careers.

The Trades House
of Glasgow

#THAA

Support excellence, build visibility and invest in future talent.

The Trades House of Glasgow Apprenticeship Awards return in 2026, recognising apprentices who are learning, growing and making a strong contribution in their workplaces. The awards also celebrate the organisations that support them and help them to succeed.

Sponsoring the awards gives businesses the opportunity to support skills, training and opportunity while recognising the achievements of apprentices across Scotland.

Become a sponsor and support Scotland's next generation of skilled professionals.
